Pond Classic returned to celebrate an overdue 10th year

Going back to the basics, Trenton Pond Classic was back to celebrate its 10th year after the two-year pandemic. Forgoing the dinner, they focused on just bringing the tournament and family day back February 4th and 5th.

In minus 30 temperatures, Saturday was the day where 18 teams competed all in the name of charity. Funds went to support the Trenton Memorial Hospital Foundation and Wounded Warriors Canada. The Batawa Lions hosted the bar for the day, Beavertails was onsite and food was being served inside the Batawa Community centre.

Sunday the weather was nicer for all the families who came to Batawa to enjoy skating, horse and wagon rides, s'mores and hot chocolate and children activities. Bata Maples was onsite to serve maple taffy on snow, and Beavertails were again onsite serving goodies.

A very big thank you to all the volunteers who make this event possible. The City of Quinte West for their support during the family day. And the tournament which uses the Batawa Lions Outdoor Skating Rinks which are maintained by some AMAZING volunteers.
