Batawa Lions Outdoor Rinks Closed for the Season

The Batawa Lions announce the closure of the Batawa Lions Outdoor Skating rinks for this season. The rinks were open a total of 20 days this winter, the lowest total in their 11 year history.

Despite the short season, the rinks played host to a successful Trenton Pond Hockey Classic and The Lions ran their first two weekends of the Free Skate Loan Program this winter.

Thank you to the volunteers who helped build and maintain the rinks, the City Of Quinte West who are always an excellent support, the volunteers who ran the Free Skate Loan program and the many local businesses that had advertising boards at the rinks. Without these local businesses, we would not be able to run these free outdoor rinks.
Thank you to the many people who enjoyed the rinks, the kind words and the children who we are able to watch learn how to skate.
