Skating in Batawa!

The Batawa Lions skating rinks have been a huge success once again this year with a significant increase in use and popularity. In February the Batawa Lions had the opportunity to host the Quinte Blades Speed Skating. It was great to see them using our rinks and look forward to hosting them again next year!

Thank you to our AMAZING volunteers

Did you know that the outdoor skating rinks in Batawa are maintained completely by volunteers? These rinks are made possible with the coordination of the Batawa Lions, and all the volunteers who flood the rinks, clear the snow, and drive the Zamboni. Throughout the season students, families, athletes, and neighbours young and old around the Quinte area enjoyed these rinks. On behalf of so many, THANK YOU!

Sacred Heart Catholic School is accepting new student registrations for this September!

We're proud to be "The Little School with the Big Heart."

Our students are welcomed every day into a school surrounded by natural green space, and boasting a longstanding connection to the Batawa community. Sacred Heart Catholic School also offers before and after school programming.

For more information, please visit www.alcddb.on.ca to complete our easy online pre-registration.

If you or your child are not Catholic, but are interested in a Catholic learning environment and willing to embrace our faith-based learning and celebrations, please contact our principal at 613- 398-6393.
