# Help Us Keep Everyone Moving!

The Batawa Lions skate rental program has been a hit, and they have noticed that many young skaters—and even some adults—could use a little extra support. They only have a few skating aids to lend out - to make the experience even better, we're looking for donations of skate aids to help beginners gain confidence on the ice. If you have one to spare or know of a good source, please reach out to us. Your generosity will go a long way in helping more people enjoy the rink safely!

For donations or more information, please contact [batawalions@gmail.com](mailto:batawalions@gmail.com) or reach out on Facebook (<https://www.facebook.com/batawalions>) or Instagram (<https://www.instagram.com/batawalions>)
