Paragon of Play's Batawa Enrichment Centre is opening this summer!

Paragon of Play is a learning resource centre offering enrichment programming for children, families, and adults. The centre has been operating in Belleville at 147 Pinnacle St. for the past 2 years, and the team is thrilled to open a 2nd location in Batawa! Paragon of Play is owned and operated by local school teacher, Jessica Spice, who runs events and programs with the support of a talented team of art, education, and wellness professionals. Examples of programming options at the centre include educational summer camps, adult wine and paint nights, family crafting workshops, birthday parties, tutoring, art classes, therapeutic services, parenting seminars, and much more!

The Paragon of Play team is looking forward to being a part of supporting the mental, physical, and social wellness of the Batawa community through their programming, resources, and support services. Please stay tuned for upcoming information regarding open house events! Learn more about the centre on Facebook and Instagram or visit www.paragonofplay.com

Trail Update

Rainy weather this spring has meant quieter trails than usual, but with drier days in the forecast, we expect traffic to pick up again soon. Please stay alert—keep your eyes up the trail, follow all posted safety signs, and avoid wearing earbuds or headphones so you can hear approaching bike traffic and other trail users. Dogs must be leashed at all times on Batawa Ski Hill Property. Let's keep the trails safe and fun for everyone!

Batawa Lions Clean Up

Another successful event with 30 bags of garbage collected! THANK YOU!

The Batawa Lions Club and our family and friends picked up 30 bags of garbage in May as part of their annual Adopt-A-Road service project. Thank you to the Batawa Lions for making our community beautiful by picking up the trash along highway 33 from Perry Drive to the All Seasons factory.
