Eco Mulch Bashes Trash

We wanted to thank our Batawa neighbour, Eco Mulch, for going out and cleaning up in our community for Trash Bash. Each Spring the Quinte region work collaboratively with all Quinte municipalities to address the littering along our roads. This initiative supports and encourages all residents and businesses to do our part by cleaning up our community.

It came as no surprise that a business that prides itself in its Green initiative, would take on this event. Thank you to Eco Mulch and their team. And thank you to all our residents who may have participated in this event. We always appreciate everyone who takes pride in our community by actively getting involved.

Military Event Scheduled in Batawa

The Military will be hosting an event at the Batawa Ski Hill on Thursday, June 5. This will include a Search and Rescue (SAR) helicopter landing and taking off from the property at various times in the afternoon and early evening.

We kindly ask that residents refrain from visiting the hill to watch the activity, and want to reassure the community that this is a planned event, not an emergency.

Community Coffee Break

Batawa Coffee Break continues in the basement of the Sacred Heart Church. Thursday from 10AM to 11:30AM. All are welcome!

Ladies of Sacred Heart AGM

Annual Agm Meeting for Ladies. Mon June 2nd. 6:30 pm. All welcome. Rsvp am 6138491972.

Tri – County Children's Water Festival

Batawa will become a bustling place as classes from many schools take part in the Quinte Children's Water Festival Wednesday May 14 - Thursday May 15. The Batawa Ski Hill will be the base for this event, with displays also located in the field across from Sacred Heart Batawa.

The annual event motivates students in Grade 4 (including split 3/4 and 4/5 classes) to become water stewards in their homes, classroom and community. This youth environmental education program features over 30 interactive, hands-on learning activity centres, providing youth with opportunities to learn about our most precious natural resource – water!

We thank the organizing committee and all of their volunteers who work effortlessly to provide this learning opportunity for our children in Quinte.

Over 100 volunteers help make the Tri-County Water Festival a success each year! Volunteers run activity centres, assist with setup and teardown, and provide daily operation support during the festival.
