Community Yard Sale

Following the three R's - reduce, reuse and recycle, Batawa has held their community yard sale for almost 20 years. This friendly community encourages visitors to walk or drive the community and visit the various yard sales throughout the village. And with the Dino Dig Park, the Natural Playground, or the hiking and biking trails, you can make a day of your visit!

This year's community yard sale is Saturday September 10th from 8AM – 12PM. This is a rain or shine event.

Batawa Lions inviting new members to join

The Batawa Lions Club was established in 2011. Their mission is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Club. They have over 20 members strong and support a number of local community projects and events including the Batawa Lions Outdoor Rinks, Adopt a Highway, Adopt a Senior Program and many more worthwhile activities. They recently celebrated their 10th Anniversary of Community Service.

The lions meet twice a month (every 2nd and 4th Tuesday of the month) at the Batawa Community Centre at 8PM. If you are interested in becoming a member or for more information, please email batawalions@gmail.com

Drive with caution (and consideration)

Many Batawa residents want to remind their neighbours and guests to drive with caution and reduced speed. This is a community with outdoor recreation, a school, daycare, girl guides, and safety needs to be a priority for everyone. Thank you.

Batawa Ski Hill Operations Update

While Covid-19 concerns still exist, the Batawa Ski Hill remain positive that most of our prior restrictions will be lifted. We remain diligent about chalet cleanliness and safety protocols for our staff. All guests must self screen as per the posted signs prior to entering the chalet. We must always adhere to Public Health guidelines so the policy is always subject to change without notice.

For a quick overview of the plan for the upcoming season, here are a few details;

- There are no restrictions on season pass holders. They may visit the ski hill on any day/time that they wish as per the type of pass that they possess.
- Lift tickets will continue to be purchased for 4hr time blocks with maximum capacity limits for each time block.
- Lift tickets and rentals will be available for on-line purchase as we get closer to opening day. Purchase of lift tickets and rentals through e-commerce is strongly recommended and are offered at a reduced rate.
- All of our products and services will continue to be available through e-commerce in an effort to reduce line ups and congestion.
- We will continue to open from 1:00pm to 9:00pm on weekdays.
- The chalet will be fully open and indoor dining will be available.
- The fire pits and outdoor dining through the take-out window will remain and is encouraged.
- Bags and belongings will be permitted inside the chalet but, due to space concerns, we do recommend that guests continue to keep belongings in their vehicles whenever possible.
